ABOUT THE PUBLIC THEATER:

THE PUBLIC is theater of, by, and for all people. Artist-driven, radically inclusive, and fundamentally democratic, The Public continues the work of its visionary founder Joe Papp as a civic institution engaging, both on-stage and off, with some of the most important ideas and social issues of today. Conceived over 60 years ago as one of the nation's first nonprofit theaters, The Public has long operated on the principles that theater is an essential cultural force and that art and culture belong to everyone. Under the leadership of Artistic Director Oskar Eustis and Executive Director Patrick Willingham, The Public's wide breadth of programming includes an annual season of new work at its landmark home at Astor Place, Free Shakespeare in the Park at The Delacorte Theater in Central Park, the Mobile Unit touring throughout New York City's five boroughs, Public Forum, Under the Radar, Public Studio, Public Works, Public Shakespeare Initiative, and Joe's Pub. Since premiering *HAIR* in 1967, The Public continues to create the canon of American Theater and is currently represented on Broadway by the Tony Award-winning musical *Hamilton* by Lin-Manuel Miranda and *Girl From the North Country*. Their programs and productions can also be seen regionally across the country and around the world. The Public has received 59 Tony Awards, 178 Obie Awards, 53 Drama Desk Awards, 58 Lortel Awards, 34 Outer Critic Circle Awards, 13 New York Drama Critics' Circle Awards, and 6 Pulitzer Prizes. publictheater.org
